

BEACHMOUR DUESBURYS BEACH

As the name suggests, you get more than just the beach at this stunning holiday home at Narooma on the south coast. This is a new concept in beach house accommodation. Not only is there the sun, surf and sand, but all the services of a five-star hotel – concierge, housekeeping and spa treatments.

After booking you will be given a “menu” of services to choose from – think pre-stocked pantry (with fresh local lobsters, prawns or oysters), wine cellar, massages, facials, manicures and an activities list.

Inspired by the most decadent hotels, the emphasis is on your wellbeing. Slip into Egyptian cotton sheets, lather up with the custom-made organic soaps, sip on organic tea blends, wrap yourself in fluffy robes, smell the fresh flowers, have a barbecue dinner by the outdoor fireplace or enjoy a walk along the deserted beach.

This newly built house is relaxed yet stylish and perfect for the whole family – even the dog is welcome. It is uniquely positioned on one hectare, with Duesburys Beach to the front and a lagoon to the side, which has a little jetty that extends from the property – the perfect place to feed the ducks and swans.

There are views from the whole front of the property with both upstairs and downstairs decks overlooking the pristine beach. A 20m stroll across the road will have your toes sinking in the sand. Rinse off under the outdoor shower before your massage.
